What data do we collect?

Our Company does not collect any personal data. All event related data are stored in EXM, an Arweave based blockchain state management solution and publicly accessible.

How do we collect your data?

You directly provide Our Company with all the data we collect. We collect data and process data when you:

- Visit our application
- Create a recurring event
- Write us e-mail

Our Company does not receive your data indirectly from any external sources.

How will we use your data?

Our Company collects your data so that we can provide you with the application functionality.

How do we store your data?

Your data is shared with both Arweave and EXM as service providers. The data relevant to application functionality therefore fall under Privacy policy of Arweave:

<https://docs.arweave.org/info/policies/privacy-policy>

Marketing

Our Company is not going to send you information about any products and services, including ours.

What are your data protection rights?

Our Company would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access – You have the right to request Our Company for copies of your personal data. We may charge you a small fee for this service.

The right to rectification – You have the right to request that Our Company correct any information you believe is inaccurate. You also

have the right to request Our Company to complete the information you believe is incomplete.

The right to erasure – You have the right to request that Our Company erase your personal and application data. Personal data (related to email conversations) will be deleted in 48 hours. Application data will be deleted in a technically feasible timeframe. This does not remove the application data from the blockchain solution – data on blockchain is preserved forever.

The right to restrict processing – You have the right to request that Our Company restrict the processing of your personal data, under certain conditions.

The right to object to processing – You have the right to object to Our Company's processing of your personal data, under certain conditions.

The right to data portability – You have the right to request that Our Company transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us at our email:
